Area: 2.75 acres

Proposal: An application to approve various entitlements for development of a neighborhood shopping center. The General Plan Amendment, Rezoning, and General Development Plan are required to allow Business Professional/Commercial uses to apply over the entire project site. Because a portion of the proposed site (approximately .85 acres) was the prior Sunset Boulevard right-of-way, no land use designation was ever applied, hence the need to apply land use designations over this portion. A Conditional Use Permit is required to allow a commercial cluster, gasoline station, and a car wash. The Design Review is required to allow the construction of two shop buildings (approximately 11,800 square feet), a 2,200? square foot convenience store, a canopy over 6 fueling stations, a 800 square-foot car wash facility and associated parking and landscaping. The Tentative Parcel Map is required to subdivide approximately 2.75 acres into three lots.
